

Matriculation/Course Requirements/Minimum Entry Requirements

Does the course that I am applying for require:

Six Leaving Cert subjects?

Irish? (Higher Level?)

A third language i.e. French or German? (Higher Level?)

Two or more Higher Level subjects?

Higher level Maths? (Ordinary Level Maths?)

Higher level English?

Science Subject? (Higher Level?)

Business subject? (Higher Level?)

Etc.

And if so, do I have these requirements? If I do not, I cannot be offered a course even if I have the points for that particular course!

I need to check with the College Prospectus.....
