1. Introduction and Objectives

1.1. Mission Statement

Coláiste Clavin is a supportive and inclusive community with a professional and committed staff providing our students with a holistic education to enable each individual achieve their full potential

2. Objective of the Code of Behaviour

2.1. The Code of Behaviour of Coláiste Clavin expresses the vision, mission and the values of our school. It outlines the expectations of staff, parents, and students into every facet of education within the school. The aim of the Code is to foster and maintain an orderly, harmonious school community where high standards of behaviour are expected and supported in everyday life.

2.2. The goals include:

- Creation and maintenance of a school climate that encourages, supports and reinforces good behaviour.
- Creating a positive and safe environment for teaching and learning.
- Allowing students to understand behaviour and its consequences.
- Encouraging students to take personal responsibility for their learning and behaviour.
- Fostering the holistic development of all students within the school by creating relationships that are based on mutual respect among students, staff and parents.

3. What the Code of Behaviour does.

3.1. Coláiste Clavin sets high standards and all members of the school community are expected to behave at all times in ways that show respect for others.

3.2. The school's Code sets out:

- The standards of behaviour expected in the school.
- How the school approaches the promotion of good behaviour.
- How the school responds to unacceptable behaviour.
- How the Code is implemented.
- Procedures for the use of incident reports, report cards, detention, suspension and expulsion.

4. Principles Underpinning the Code of Behaviour

4.1. To ensure the successful achievement of our goals the following principles guided the development of the Code of Behaviour.

- Affirming that everyone's behaviour matters
- Providing clarity
- Focusing on promoting good behaviour
- Balancing needs
- Recognising that relationships matter
- Focusing on personal responsibility
- Ensuring fairness and equity
- Promoting equality
- Recognising educational vulnerability
- Promoting a commitment to the emotional and physical welfare of every student on an individual basis
- Promoting a positive and safe working environment within the classroom and the school for all staff and students
- Attending to the welfare of staff.
- Promoting safety and freedom from threat.

5. Whole School Approach

5.1. Students' behaviour is influenced by the school's ethos, values, atmosphere, practices and relationships. The Code, on its own, cannot create the environment that makes it possible for students to learn and behave well. As such, Coláiste Clavin adopts a whole school approach to behaviour.

5.2. This includes:

- Consistency in ethos, policies and practices.
- School policies and practices that support the objective of the Code.
- A classroom environment that promotes positive learning behaviour and where students have a clear understanding of what is expected.
- Opportunities for the Board of Management, Principal, Deputy Principal, teachers and non-teaching staff, parents/guardians and students to live up to and understand their responsibilities.
- A school development planning process that helps the school to ensure that its policies and procedures work harmoniously to sustain a positive environment for teaching and learning.

6. Application of the Code of Behaviour

6.1. The Code of Behaviour will apply:

- Within the environs of the school during the school day and any afterhours activities.
- On all school and school-linked activities, including school tours, outdoor pursuits, field trips, sports activities, retreats, school visits/expeditions, official school charity collections and events.
- Any occasion when the student is in the school uniform.
- The school may also apply the Code of Behaviour to student's online activity, including a blended learning environment, and/or digital communication with staff and other students

7. Understanding Behaviour

7.1. Understanding the context of behaviour is central to understanding behaviour. The responses to a student's behaviour influence the choices a student makes about how he / she behaves. These influences are within the person, external and interpersonal. The Code aims at responding to unacceptable behaviour in ways that are likely to work and attempts to avoid responding in ways that may cause the misbehaviour to escalate.

8. Setting Standards of Behaviour

8.1. Values and Standards

8.1.1. The school promotes values and standards including:

- Respect for self and others.
- Principles of natural justice.
- Fairness.
- Kindness and willingness to help others.
- A readiness to use respectful ways to reduce difficulties and conflict.

8.1.2. In promoting high standards, the school recognises that certain kinds of behaviour are not acceptable and will incur sanctions. For example:

- All behaviour that is hurtful.
- All behaviour that endangers the safety and wellbeing of others
- All forms of bullying, harassment, sexual harassment, discrimination and victimisation by word, deed or act, including improper use of any form of technology or media.
- All forms of behaviour that discriminate or reflect negatively on a person's race, ethnic background, nationality, religion, disability, culture or sexual orientation.

- Behaviour that interferes with teaching and learning.
- Threats or actual physical hurt to another person.
- Damage to property.
- Theft.
- Possession, use, or being under the influence of alcohol, drugs, unprescribed drugs or any other harmful, dangerous or illegal substance.

8.2. Students

8.2.1. The school undertakes to explain and clarify the Code to students. By giving students an insight into their own and others' behaviour the school can equip them to think and understand what influences people to behave in a particular way. This builds their capacity to take responsibility for their behaviour and to help each other behave well. School standards are posted in every classroom in the school.

8.2.2. The school provides opportunities, inside and outside the classroom for students to think, talk about behaviour, learning and rules and what their school means to them. These opportunities are to be found especially, but not exclusively, in discussion with individual and class teachers, during C.S.P.E., Assemblies, S.P.H.E. and Religion classes, Wellbeing classes and in the involvement of the guidance counsellor, Year Heads and Tutors. They are also available under the mentoring programme provided by Fifth Year students for 1st Year students.

8.2.3. Students must be committed to their own learning and to that of their peers. This commitment includes:

- Regular and punctual attendance at school.

8.3. First Year Students

8.3.1. Coláiste Clavin recognises the enormity of the change that students experience when transferring from primary to post primary education. In order to minimise the stress and anxiety experienced by students at this pivotal junction in their educational journeys, the school takes the following additional measures:

8.4. Parents/Guardians

8.4.1. The school believes the full support of parents/guardians for the Code is essential. Values at home and parental attitude make a positive contribution to student's learning and behaviour. Parents/guardians are expected to model the standards that students are asked to respect.

8.4.2. The school provides many opportunities for parents/guardians to be familiar with the standards and to understand the importance of expecting students to behave in accordance with these standards. The school provides parents with the opportunity to become involved in Parenting Programmes on an annual basis. These may include in school courses or online/blended learning courses.

8.4.3. The school maintains regular communication with parents/guardians and if necessary, parents/guardians will be invited to discuss their child's behaviour, with the objective of achieving an agreed common approach.

8.5. Teachers and Other School Staff

8.5.1. The example set by teachers and all school staff has a direct bearing on learning for students. They have a responsibility to model the school's standards of behaviour in their dealings both with students and each other.

9. Promoting Good Behaviour

9.1. Promoting good behaviour is the main objective of the school's Code of Behaviour. Through its ethos, policies and practices, Coláiste Clavin actively promotes positive behaviour and seeks to prevent inappropriate behaviour.

9.2. The Code is made to work in a fair and consistent way. Standards are clear, consistent and widely understood and high expectations are set.

9.7. Positive feedback is provided through the school Journal and ePortal

9.8. The Code of Behaviour recognises that the dignity of all staff, students and parents/guardians must be afforded the utmost priority and emphasises the right of all student and staff to work in an educational environment free from disruption.

Central to promoting good behaviour is the quality of relationships between staff and students. All teaching personnel in Coláiste Clavin strive to develop good relationships. - 10.6.3 If phones/personal media players are brought to school they must be switched off and out of sight in the classroom unless the teacher is using the mobile phone as part of a teaching strategy. In this circumstance the phone is to be used for the specific task outlined by the teacher and must be powered off when this task is completed.
- 10.6.4 Any teacher has the right to check that a phone or iPad, which is visible to them in the school or classroom. Students who refuse to comply with this will be referred immediately to the Year Head, who will apply the relevant sanction. If the phone is switched on the pupil will be requested to switch it off and put it away safely. A warning will be issued and the offence will be recorded. A repeat of this offence will result in the phone being confiscated by the teacher and deposited in the office. The pupil will be given the opportunity to switch off the phone, but not to remove the sim card prior to handing it to the teacher. The phone may be retrieved after school. If the student refuses to comply then the matter will be referred to the school management and the pupil may be suspended from school.
- 10.6.5 Any student phone/media player which interrupts class through ringing, text alerting or making any audible sound will be confiscated by the teacher and deposited in the office. This will also be the sanction if a student is observed using a phone to transmit or receive calls, texts, or messages in class or on school grounds. The procedures as outlined in the previous paragraph will apply.
- If a phone is confiscated on a second occasion, then it will be held in the Principal's office until a parent/guardian can collect it. The parent/guardian will be notified that the phone has been confiscated. The student and parent will be required to give a guarantee that there will not be a repeat of this offence.
- A phone confiscated for a third time will be held in the Principal's office for one week and will be returned only to a parent/guardian. Any subsequent event will result in the student being permanently banned from bringing a phone into school grounds or building. If at any stage the pupil refuses to hand over the phone s/he will be suspended from school for a minimum of one day.

10.6.6 Pupils who bring mobile phones/personal media players to school do so at their own risk and the school will not be responsible in any way for loss, theft or damage of these devices.

- 10.6.7 Students may use phones for brief periods outdoors during recreational time for communication purposes only. If the phone is used to take photographs, record or make inappropriate communication it will be confiscated and a possible sanction may be imposed. If the phone is used to play videos or music loudly it will be confiscated and a possible sanction may be imposed.
- 10.6.8 All communication with home in respect of illness or emergencies is to be made through the school office. The school phone is made readily available, free of charge, for such communication. For safety reasons it is important that school management is

aware of students leaving the school premises during the day so mobile phones are not to be used to contact parents for this purpose.

- 10.6.9 Students may use iPads for educational purposes and to facilitate learning. They will not use them to record or photography any person/thing within the school without prior permission. Infringements will result in the iPad being confiscated by a teacher or member of management and deposited in the Principal's office. Sanctions may be imposed

10.7.2. Illegal drugs/addictive substances/alcohol/un-prescribed drugs/legal drug substitutes are strictly prohibited in the school. The use of any necessary medication must be pre agreed with the Principal and in accordance with LMETB policy and procedures. In the event of a breach of this rule the school is obliged to inform parents/guardians and / or the relevant authorities. Consequences for breaches of this rule are dealt with through the Suspension and Expulsion policies.

10.8 COVID -19 related behaviour

10.8.1 Coláiste Clavin has completed a COVID-19 Risk Assessment and will apply strict sanctions up to and including exclusion to any students who wilfully refuse to adhere to arrangements of social distancing and deliberately cough or spit at pupils or staff, putting them at risk. This will be explained to students on their return and reminded through the class conduct. All students are expected to show respectful behaviour towards each other and adults. They should try their best to ensure the health and safety of others by following the teacher's instructions to avoid unnecessary contact.

10.8.2 During this period, there will be a number of new “rules” that pupils will be expected to follow, and they will be given clear information about new procedures.

10.8.3 Students will be asked to follow new procedures in relation to:

- arriving at school and leaving at the end of the day
- following instructions on who they can socialise with at school – students will be expected to stay strictly within the group they are allocated to, and not spend time with anyone from another group

- About wearing face coverings that are appropriate to a school environment, and do not have offensive images or slogans
- About using face coverings as a means of disrupting class, making comments, or disrupting the good order of teaching and learning in the classroom

As failure to comply with these requirements seriously endanger the health and safety of every member of the school community so will incur immediate and severe sanctions including referral to the Board of Management who may recommend suspension or expulsion

As the situation with COVID-19 are constantly changing Coláiste Clavin reserves the right to apply sanctions for any behaviour which is deemed to cause difficulty for others and will advise students/parents regularly regarding any alteration in expectations

- It is the policy of the school to intervene early and positively when a student's behaviour does not meet the standards expected.

11.2. Responses and sanctions

11.2.1. The school implements a graded response to student misbehaviour. The strategy adopted by the school is to intervene early and positively and this strategy prioritises the early involvement of parents/guardians.

11.2.2. The following responses and sanctions are in use in Coláiste Clavin

- Journal
- E-Portal
- Report
- Calls home to parents
- Detention (lunch time and after school)
- Suspension
- Expulsion

11.3. Disciplinary Ladder

11.3.1. Teacher: Misconduct will be dealt with by individual subject teacher. The teacher can choose from possible sanctions such as – reprimand, record keeping, and note in Student Journal to parent, penalty sheet, informal lunchtime detention, extra work etc.

11.3.2. Tutor: Where misbehaviour or misconduct persists despite sanctions in Stage 1 being imposed, the subject teacher then refers the matter to the Class Tutor.

11.3.3 Yearhead: Where “previous interventions have been exhausted” and there is no evident improvement in behaviour, the student will receive an afterschool detention (Wednesday 1.15 - 2.15) from the Year Head or School Management. Parents will be informed of this by journal, telephone, text, email or letter. A Progress Report at this stage may be introduced in an attempt to identify key areas for improvement,

Where a student is late for class 5 times in one week, these lates will be recorded in the school journal/ePortal and monitored by Year Head, and will result in Wednesday Afternoon detention which will be given by the Yearhead. Parents will be informed of this by journal, telephone, text, email or letter.

11.3.3.1. Where a student fails to attend 2 successive Wednesday afternoon detentions the student will then be suspended for 1 day. A record of detentions

and suspensions is kept by the Tutor and Yearhead and is also recorded in the eportal and parents advised by letter and/or phone.

11.3.3.2 Students will be issued with work to complete during Wednesday afternoon detention. Failure to attempt of complete that work will be considered contempt of the detention process, and will result in the student being issued with a further detention. Failure to comply with the direction of the teacher supervising detention, will mean that the matter is referred again to the Year Head and school Management resulting in further sanctions, up to and including Suspension.

11.3.3.3. Where the Progress Report has found no evidence of improvement, the Year Head may organize an interview. Parents will be informed of this. The student can be interviewed by Tutor, Year Head and Deputy Principal/Principal. Parents will be invited to attend. Alternatively, feedback will be sent to parents by letter / phone

11.3.4. Where satisfactory progress is deemed to have been attained, this will be affirmed by Year Head.

11.3.5. Deputy Principal and Principal: Parents are invited to attend a meeting with the Yearhead and Deputy Principal (the Principal may also attend the meeting). History of misbehaviour will be outlined to parents at this meeting. The student signs a Contract of Behaviour. This is co-signed by the Yearhead and Deputy Principal.

11.4. Scale of intervention and involvement

11.4.1. Subject Teacher

11.4.1.1. The vast majority of behavioural matters are dealt with promptly and efficiently by the subject teacher and have no long term consequences.

11.4.2. Tutor and Year Head. Involved where:

11.4.2.2. Student's conduct has consequences beyond the remit of an individual teacher

11.4.2.3. Breaches of school rules outside of the classroom

11.4.2.4. Accurate records of behaviour and interventions are filed by both the Tutor and Yearhead.

11.4.3. Deputy Principal. Involved where :

Act 1998 and Section 23 of the Education Welfare Act 2000. The Code of Behaviour in Coláiste Clavin specifies:

13.2.2. The standards of behaviour that shall be observed by each student attending the school

13.3.2. Louth and Meath ETB recognises that the Boards of Management of Coláiste Clavin may delegate this authority to the Principal of Coláiste Clavin. The Board of Management should make a formal delegation arrangement taking due account of the provisions of the Education and Training Boards Act 2013

13.3.3. Coláiste Clavin recognises that suspension is only one strategy within the Coláiste Clavin's Code of Behaviour in response to inappropriate behaviour.

13.3.4. Coláiste Clavin recognises that when all other strategies have been exhausted, suspension affords a student time to reflect on their behaviour, to acknowledge and accept responsibility for their behaviour and to accept the need for the behaviour to change. Coláiste Clavin works closely with parents to assist a suspended student to re-join the school community successfully.

13.3.5. Coláiste Clavin acknowledges that suspension should be a proportionate response to the behaviour that is causing concern. The decision to suspend a student requires serious grounds such as that:

13.3.5.1. The student's behaviour has had a seriously detrimental effect on the education of other students.

13.3.5.2. The student's continued presence in the school at this time constitutes a threat to safety.

- Where the aggregate number of days on which a student has been suspended /absent in any school year is 20 or more days.
-

- The nature and seriousness of the behaviour.
- The impact and context of the behaviour.
- The interventions tried to date.
- That all discipline options under the Coláiste Clavin's Code of Behaviour have been applied and documented.

- That all actions /decisions taken are recorded and all correspondence copied.
- Discussion has occurred with the student and parent(s) regarding the specific behaviour which the school considers unacceptable, and which may lead to suspension.

13.3.9. The Board of Management of Coláiste Clavin affirms that students attending Coláiste Clavin may be suspended as follows pending investigation and /or discussion with parents. The following list is not exhaustive:

13.3.9.16. Truancy from class or school (including leaving the school without permission during break times).

13.3.9.17. Bringing the good name of the school in to disrepute through either actions or words (including online).

13.3.10. Coláiste Clavin acknowledges that a single incident of serious misconduct may be grounds for suspension. Such grounds may include where the continued presence of the student in the school at the time would represent a serious threat to the safety or welfare of students, staff of the school or any other person.

13.3.11. A student may be suspended during a state examination and such suspension should normally be approved by the Board of Management of Coláiste Clavin. This type of suspension should only be used where there is:

- A threat to good order in the conduct of the examination
- A threat to the safety or welfare of other students and personnel
- A threat to the right of the other students to do their exam in a calm atmosphere.
-

13.3.12. Louth and Meath ETB recognises that the Board of Management Coláiste Clavin may decide as part of the school's policy on sanctions and following consultation process with the Principal, parents, teachers and students, that particular named behaviour incur suspension as a sanction. This does not remove the duty to follow due process and fair procedures in each case.

13.4. Inappropriate use of Suspension

13.4.1. Rolling suspension. A student should not be suspended again shortly after they return to Coláiste Clavin unless they engage in serious misbehaviour that warrants suspension, that fair procedures are observed in full and the standard applied to judging the behaviour is the same as that standard applied to the behaviour of any other student.

13.4.2. Informal / unacknowledged suspension. Exclusion of a student for part of the school day as a sanction is a suspension.

13.4.3. Open-ended suspension. Students should not be suspended for an indefinite periods. Any such suspension would be regarded as a de-facto expulsion.

13.5. Procedures in respect of Suspension.

13.5.1. The school will investigate the complaint thoroughly (the Deputy Principal, with Year Head assistance, generally leads the investigation).

13.5.2. Louth and Meath ETB affirms that Coláiste Clavin is required to follow fair procedures when proposing to suspend a student. The school should observe the following procedures

13.5.3. The student and parent(s) should be informed about the complaint

13.5.4. The student and parent(s) should be given the opportunity to respond

13.5.5. In the case of 'immediate' suspension, a preliminary investigation should be conducted to establish the case for the imposition of the suspension. Parents must be notified and arrangement made for the student to be collected from the school. The school must have due regard for its duty of care for the student.

13.5.6. On completion of the investigation the findings are given to the principal who then decides on what course of action to take.

13.5.7. A student should not be suspended for more than 3 days except in exceptional circumstances. Louth and Meath ETB recognises that the Board of Management Coláiste Clavin should provide guidance to the Principal concerning the kinds of circumstances under which suspensions of longer than 3 days might be approved. If a suspension of longer than 3 days is being proposed the matter should be referred to the Board of Management for consideration and approval. However Louth and Meath ETB recognises that the Board of Management of Coláiste Clavin may wish to authorise the Principal, with the approval of the Chairperson of the Board of Management, to impose a suspension of up to 5 days in circumstances where a meeting of the Board cannot be convened in a timely fashion.

13.5.8. Louth and Meath ETB affirms the Boards of Management of Coláiste Clavin should formally review any proposal to suspend a student where the suspension would bring the number of days for which the student has been suspended in the current school year to 20 days or more. Any such suspension is subject to appeal under section 29 of the Education Act 1998.

13.6. Implementing the suspension

13.6.1. The Principal of Coláiste Clavin should notify the Parent(s) and the student in writing of the decision to suspend. The letter will confirm:

- The period of the suspension and the dates on which the suspension will begin and end.
- The reasons for the suspension.
- Any study programme to be followed.

14.1.2. Expulsion should be a proportionate response to the student's behaviour. Coláiste Clavin acknowledges that expulsion of a student is a very serious step and one that should only be taken by the Board of Management of Coláiste Clavin in extreme cases of unacceptable behaviour.

14.1.3. The Board of Management of Coláiste Clavin affirms that Coláiste Clavin needs to have taken significant steps to address the misbehaviour and to avoid expulsion.

14.1.4. Such measures may include:

- Meeting with parents and students to try and find ways of helping the student to change their behaviour.
- Making sure that the student understands the possible consequences of their behaviour should it persist
- Ensuring that all possible options have been tried.
- Seeking the assistance of relevant support agencies, e.g. Child and Family Agency Education Welfare Services, HSE Child and Adolescent Mental Health Services. National Behavioural Support Service JLO, NEPS, NCSE.

 - The student's continued presence in the school constitutes a real and significant threat to the safety and welfare of others.
- The student is responsible for serious damage to property.

14.1.6. Before expulsion is considered school's authorities must satisfy themselves that all possibilities have been exhausted for changing the student's behaviour.

14.1.7. 'Automatic Expulsion'

14.1.8. The Board of Management of Coláiste Clavin may decide in consultation with the principal, parents, teachers and students that particular named behaviours would result in 'Automatic' expulsion. This does not remove the duty to follow due process and fair procedure.

14.1.9. Expulsion for first or once-off offence

14.1.9.1. There may be exceptional circumstances where the Board of Management of Coláiste Clavin decides that a student should be expelled for a first offence. The kinds of behaviour that might result in a proposal to expel on the basis of a single breach of the Code of Behaviour could include:

- A serious threat of violence against another student or member of staff
- Actual violence or physical assault
- Supplying illegal drugs to students in the school
- Sexual assault

14.2. Factors to Consider before proposing to expel a student

- The nature and seriousness of the behaviour
- The context of the behaviour
- The impact of the behaviour
- The interventions already tried to change the student's behaviour
- Whether expulsion is a proportionate response
- The possible impact of expulsion

14.2.2. Expulsion would not be appropriate for the following:

- Poor academic performance
- Poor attendance or lateness
- Minor breaches of the Code of Behaviour

14.2.3. However, any behaviour that is persistently disruptive to learning or dangerous can be a serious matter. Behaviour must be examined in context to understand both the behaviour itself and the response or sanction that is most appropriate.

14.3. Procedures in respect of expulsion

14.3.1. A detailed investigation will be carried out under the direction of the Principal. The Principal should ensure that no party who has had any involvement with the circumstances of the case is part of the investigation.

14.3.2. The Principal should inform the student and his/her parents about the specific details of the alleged breach of behaviour, how it will be investigated and that it could result in expulsion. The Principal must ensure that the student and parents are given every opportunity to respond to the complaint of serious misbehaviour. The Principal should communicate this in writing to ensure that parents have a permanent record of having been informed.

14.3.3. A meeting should be arranged between the student and their parents and the Principal of Coláiste Clavin before a sanction is imposed.

14.3.4. Should a student and their parent(s) fail to attend a meeting the Principal should write advising:

- the seriousness of the matter
- the importance of attending a re-scheduled meeting

Parents may be accompanied at the Board hearing but, as this is a lay forum; legal representation is not the normal practice, however it may be allowed due to the potentially serious consequences for the student. The Board Secretary should be informed in writing who shall be attending this meeting at least two days prior to the meeting taking place.

14.4. Conduct of Appeal Meeting

14.4.1. At the start of the meeting the Chairperson shall enquire whether any member has an objective bias in respect of the matter being considered by the Board. Where the Board is satisfied that an objective bias exists, the member(s) involved shall withdraw from the meeting.

14.4.2. At the hearing the Principal and the parents, or a student aged 18 or over, put their case to the Board in each other's presence and will be available to answer questions from Board Members. Each party should be allowed question the evidence of the other party. Questions should be directed through the Chairperson at the end of each presentation.

14.4.3. Once the Principal and the Parents have made their cases, they will withdraw from the meeting.

14.4.4. Should the Board require the professional advice of the Principal, the Principal may be invited to return to the meeting briefly for that purpose. While the Principal is present, there will be no discussion on the merits of the particular case being considered.

14.4.5. In the conduct of the hearing the Board must take care to ensure they are and are seen to be impartial as between the Principal and the student. Parents may wish to be accompanied at hearings and the Board should facilitate this in line with good practice and Board procedures.

14.4.6. When both sides have been heard the Board should ensure that the Principal and Parents are not present for the Board's deliberations.

14.4.7. In hearing and considering a proposed expulsion the Board shall have regard to:

- the nature, scale and persistence of any behaviour alleged to have given rise to, or contributed to, the decision made by or on behalf of the Board,
- the reasonableness of any efforts made by the school to enable the student to whom the appeal relates (the 'student concerned') to participate in and benefit from education,
- the educational interests of the student concerned and the desirability of enabling the student as far as practicable to participate in and benefit from education with his or her peers,
- the educational interests of, and the effective provision of education for, other students of the school and the maintenance of a classroom and school environment which is supportive of learning among the students of the school and ensures continuity

of instruction provided to students in any classroom concerned and the school,

- the safety, health and welfare of teachers, students and staff of the school,
- the code of behaviour under section 23 of the Education (Welfare) Act of 2000 and other relevant policies of the school and —
- in the case of that code of behaviour, the extent to which it is in compliance with that section 23 and any guidelines issued under subsection (3) of that section, and
- in the case of those other policies, the extent to which each of them is implemented, promotes equality of access to and participation in education and is in compliance with —
- any enactment that imposes duties on schools or their boards,
- any relevant guidelines or policies of the Minister,
- the duties on schools or their boards imposed by or under any enactment, (h) guidelines issued pursuant to section 22(7) of the Act of 2000, and such other matters as the Board considers relevant.

14.5. Board of Management deliberations and actions following the hearing

14.5.4. The Board of Management should inform the parents in writing about its conclusions and where expulsion is proposed the parents should be informed that the Board of Management will inform the Education Welfare Officer.

14.6. Consultations arranged by the Educational Welfare Officer

14.6.1. Within 20 days of receipt of a notification from a Board of Management the EWO will make all reasonable attempts to hold individual consultations with the Principal, the parent and the student. The EWO will convene a meeting of those parties. These consultations will focus on alternative educational arrangements for the student.

14.6.2. Pending the consultations in 12.1 the Board of Management may consider it appropriate to suspend a student during this time. This should only be considered where the continued presence of the student during this time

would seriously disrupt the learning of others or represent a risk to the safety and health of students or staff.

14.7. Confirmation of the decision to expel

14.7.1. When the 20 day period following notice to the EWO has elapsed and the Board of Management remains of the view that the student should be expelled, the Board of Management should formally confirm the decision to expel. The Board of Management may delegate authority to the Chairperson and Secretary to review this decision of expulsion after the twenty days has expired.
